

EMG/NCV Testing No Show/Cancellation Policy

We realize that there are times when unforeseen circumstances make it impossible to attend your scheduled appointment. If this happens, please give us as much notice as possible so we can reschedule your appointment and open that time slot for another client. If you are calling after hours you may leave a message at **828-369-7878**. Cancelling an appointment with short notice or “no-showing” for an appointment takes up clinic time that could benefit another person. Electrodiagnostic testing may take up to 1.5 hours but generally 45-60 mins.

In order to enforce this policy, you will be charged **\$100** if you cancel an appointment less than 24 hours before your appointment or do not show for an appointment. Your insurance does not cover charges for late cancellations or no-shows; it is the patient’s responsibility.

Thank You,
